Resources

Rape Perpetration: A Review
This review forms part of the Sexual Violence Research Initiative's prevention work and summarises research on risk factors for sexual violence perpetration, the methodologies used to identify these risk factors and discusses the implications of this research for rape prevention strategies.

Integrating Gender in Care and Support of Vulnerable Children: A Guide for Program Designers and Implementers
FHI 360 provides recommendations for programs on how to identify and address gender-related issues that negatively affect vulnerable boys and girls.

FAIR Girls Story Featured in Marie Claire
The Sept 2012 issue of Marie Claire will feature a story on the child sex trafficking industry in America.

New Website: Flyover Feminism
This site's goal is to create a community of feminist/womanist activists around the US and the world whose voices and viewpoints are typically left out of conversations and representations of mainstream feminism, who struggle to access resources and get their messages heard because they live outside of major media centers.

CNN's Candy Crowley to Moderate Presidential Debate
Ms. Crowley will be the first woman to moderate a presidential debate since Carole Simpson in 1992.

The League Of Extraordinary Women: 60 Influencers Who Are Changing The World
Fast Company lists 60 notable women and their organizations, both for-profit and not-for-profit, that are their vehicle to tackle areas of dire need, such as developing the next generation of female entrepreneurs.

10 was her last day with the GGP. Starting this fall, Ashley will be at King's College London where she will be working toward a Masters in International Conflict Studies. Best wishes, Ashley!
